Good morning,

There are two furniture items at Central that BA would like to order. Could you please share the vendor and item numbers so that we can be sure to order the same items?

Visitor chairs: Central's are white and blue and are the chairs in each office for any visitors.
Tables/work surfaces: We have 6 that are on casters, and the work surface pivots vertically so that they can be stored in a smaller space. I can send a picture of these if you'd like.

Thanks for your help!
